Summary

Self-taught, front-end developer looking for an opportunity to continue to learn and contribute. Passionate about tech and problem solving.

Education

B.S. in Business Administrations with a major in Information Systems

University of Nevada, Reno, 2018.

Skills

Front-End

- HTML/CSS
- Sass/SCSS
- JavaScript
- jQuery
- Bootstrap
- React

Other

- Git
- NPM
- Webpack
- SQL
- Photoshop

Projects

ReactDex

- App using Axios to make API calls to the PokéAPI and display Pokémon as a Pokédex. Includes a search box that allows users to filter through the original 151 Pokémon. Tachyons is used to style components.

AllHero Recreate

- Single page, responsive site design using allhero.co.jp/ as an inspiration. Only HTML and CSS is used except for the menu (JavaScript).

Work Experience

Busser

La Fuente Mexican Restaurant

06/07-05/11, 05/15-02/19

- Collaborated with staff to ensure that tasks are completed efficiently in a fast-paced environment
- Provided customer service to ensure customers had a good experience
- Supported other areas of restaurant as needed, including answering telephones and completing financial transactions
- Answered inquiries related to hotel services and registration of guests
